# YOUR MEMBERSHIP MATTERS

**We are trying to increase our representation in Central Otago. Is there anyone interested in being a local contact person? If so, please let Robert Morey know at 0800 888472.**

Do you know anyone or have any old work mates who were contributors to the Government Superannuation Scheme and not members of the GSA? Invite them to join our organisation.

### **SOCIAL FUNCTIONS**

Our social subcommittee is investigating possible venues for our bus trips so if you have any ideas, please tell us as we are always looking for more destinations.

We as a branch are very fortunate in having sufficient funds to subsidise the costs of these trips and dinners so take advantage of it and have a great day out with others.

### **IMPORTANT:**

If you have cancelled your landline or changed your email address, please let me know to keep our records current. Our recent survey revealed that there were roughly 15-20% of members whose contact details were not correct.

When moving, you must notify The Scheme Administrator at Datacom **and** your local GSA secretary of your new address. I get a lot of mail returned to me with "Gone no forwarding address". If you know anyone who hasn't received newsletters, tell them to get in touch with us with their new address.

By recently updating contact details, a lot of those members didn't realize they weren't getting National and Otago newsletters.

Are there any issues that you would like discussed/ brought up on your behalf?

**Contact your local secretary Robert Morey at PO Box 5182 Dunedin 9054**

**Email me at [otago@gsa.org.nz](mailto:otago@gsa.org.nz). Or by phone at 0800 888 472.**

**Thank you.**

## AGM FUNCTION

Our AGM function is being held at the Otago Golf club in Balmacewen Rd on **Thursday May 29<sup>th</sup> starting at 12pm**. We have a guest speaker from City Sanctuary who will speak to us about their work in eradicating predators of our native birds.

**According to our constitution, we need a minimum of 20 people attending to have legal AGM so please come.**

## BUS TRIP

Our Bus trip to Oamaru recently was enjoyed by the hardy few who went. We had an interesting tour of the Weston lime-works where we were shown the quarries and several cutting machines and what they can produce for building materials. Their museum was interesting. Afterwards we were joined by 4 members from Oamaru for lunch at Scotties bar

and restaurant. Time was allowed for people to visit the heritage area. The weather was great on the day and just started to rain when we got on the bus to come home.
